Who we are...

GFWC Woman's Wednesday Club (WWC) of Granbury, INC.

- 501C(3) non-profit charitable organization
- member of the General Federation of Women's Clubs
- member Texas Federation of Women's Clubs.

The Woman's Wednesday Club was organized in 1897 and has been continuously active in Granbury for 126 years. In 1987 its members built our clubhouse located at 306 N Travis St. With its proud history, the WWC continues to focus its efforts and support on Granbury and Hood County. Our 50 members not only give to this community financially but are also the backbone of many charitable organizations that serve this area.

The WWC strongly believes in higher education and considers a college degree to be a key goal for young women graduating from high school. The Lois G. Cleveland Memorial Scholarship Fund was established over 17 years ago by the WWC, and presentation of annual college scholarships to female Hood County graduates became a part of the WWC's legacy.

Proceeds from the 3rd annual Taste of Granbury totaling \$30,000 were earmarked for scholarships in 2022. Based on the success of last year's event, we anticipate a significant increase in the amount of scholarship funds raised during the 2023 Taste of Granbury.

Event purpose...

FUNDING SCHOLARSHIPS for female graduates from Hood County High schools through the WWC Lois G. Cleveland Memorial Scholarship Fund.

- COMMUNITY SUPPORT by bringing together local businesses and allowing them to showcase their products. The Taste of Granbury allows patrons to enjoy local business fare in a friendly venue.

What we are asking...

We need your support by way of sponsorship or underwriting. Opportunities are listed on the following pages. Underwriters and sponsors will have prominent mention in all press releases before and after the event, on social media as well as program advertisement.

We have come a long way, but we still need your support. Your help will allow us to continue supporting only Granbury and Hood County community and award scholarships to female graduates of Hood County high schools.

WWC is committed to our community!
